

LIMITED SERVICE AND SUPPORT PROMOTION FOR NORTH AMERICAN AED CUSTOMERS

Save 60% off a \$25,000.00 Value Part & Service Contract for AED System

Unbundled Package Value

Gold Card Service Agreement	\$ 8,500.00
New JAS Water Module	~ \$ 11,900.00
Diablo Analytical Remote Diagnostic Tools and services	\$ 2,800.00
1 day of free labor for initial on-site visit for AED health assessment.	~ \$ 1,400.00
Total Un-Bundled Package Value	~ \$ 25,000.00

Bundled Package Limited Promotion

- Gold Card Service Agreement *
- New JAS Water Module (for current water module trade-in)
- Superior robust pump drive performance, which means longer life
 - Increased water circulation which means less discharge tube fatigue associated with over-heating
 - Teflon tubing, glass reservoir, and improved water filtration, which means a cleaner more reliable system and increased AED uptime
- Diablo Analytical Remote Diagnostic Tools and Services *
- Additional services include the Diablo Analytical, Inc. remote web based AED monitoring, remote (*phone and email-24hr. response time*) technical support, AED diagnostics macro for system performance monitoring, and trouble shooting guide.
- 1 day of free labor for initial on-site visit for AED health assessment (PM+) *

The Un-Bundled Package Value for \$ 10,999.00 sales tax not included.

* AED replacement *parts, labor* are included. *Travel** and *consumables* are not included. An initial site visit for an AED health assessment (PM+) is required. During the initial site visit AED deficiencies must be corrected prior to commencement of the Gold Card service agreement. Customers that schedule 3 weeks in advance will pay a flat rate for the initial site visit system health assessment (PM+) travel of \$500.00, otherwise standard zone travel rates apply.

Diablo Analytical, Inc. remote diagnostic tools and services are discounted for this promotion period *only*.

For customers purchasing a new JAS AED system during this promotional period will receive this service coverage free.

Obsolete AED equipment and components are not eligible for this offer.

This offer ends December 31st, 2006 or until allocated promotional inventory is gone. Contact the JAS Inc. USA office for details.
